Dean S.C.

JUN 15 1980

Affirmative Action at S.C.

If it is no great trouble,
could you give me a further
breakdown of this table
for 1979, for the graduate
students in life sciences vs
other graduate studies (~~including~~
~~medical school~~
~~Non-M.D.~~?) By ethnic
category? It is my im-
pression we are getting very few
blacks into graduate studies in
biology but I have few statistics.
